NINTENDO DS™

Simple and addictive picture-puzzle fun!

Picross DS is a whole new kind of visual puzzler. It is easy to pick up and play, but offers more and more complex games as you progress. Players can even create their own puzzles and share them with friends via the local wireless or Nintendo® Wi-Fi Connection.

Facts and Features

- Fill in squares using simple hints to reveal the hidden picture. You'll need both puzzle-solving skills and creativity to earn your picture reward.
- Creating your own puzzles is a snap! Design your puzzle by hand or draw any picture you like and convert it automatically into a Picross puzzle.
- Trade puzzles with friends using local wireless or Nintendo WFC, or download free bonus puzzle packs.
- Play with up to five friends in Picross-themed minigames over local wireless, or race to compete puzzles against other gamers on Nintendo WFC.
- Build your skills with Daily Picross, a series of quick-play puzzle sets that players can return to day after day to test their skill over time.
